

Nutritionist II

Yadkin County Health Department has a full time Nutritionist II position vacancy. Responsibilities include providing comprehensive nutrition assessment and counseling to participants in the WIC Program. Nutritionist will also provide nutrition education/promotion to public schools, community agencies and groups. Candidates must possess a minimum of a Bachelor's Degree in foods and nutrition, dietetics or public health nutrition; or a bachelor's degree in home economics with 12 hours in nutrition coursework. One year of experience in the field of nutrition is preferred. Hiring salary range dependent on qualifications.

For further information, contact Joan Wagoner at (336) 679-4203 x7586. State application can be obtained at the Employment Security Commission.

Position is open until filled.

Yadkin County is an Equal Opportunity Employer.
